# BASHAN LAKE ASSOCIATION

*Protecting Bashan Lake for Everyone's Enjoyment*

Dear Neighbor,

Bashan Lake is one of our community's greatest treasures. The Bashan Lake Association (BLA) is asking for your support. **Our purpose is:** to ensure the health , safety and enjoyment of everyone who loves Bashan Lake.

Here are some of the ways the BLA protects our lake:

- Partnering with town, state and federal agencies on lake protection
- Helps to fund invasive species control and lake treatments
- Tests water for E. coli throughout the season
- Coordinates the winter drawdown with the State of Connecticut
- Assists in the placement of the "No Wake" buoys
- Hires boat launch monitors to stop invasive plant spread

**Why join?**
Because without members none of this is possible. Your membership directly supports the healthy ecosystem of Bashan Lake and gives you the opportunity to vote at the BLA annual meeting.

Please consider renewing your membership or joining the BLA today. Your support helps keep the lake a place we can all enjoy now and for generations to come.

---
